A Message from the Premier

On behalf of the Government of Saskatchewan, I am pleased to recognize the Saskatchewan Royal Purple Provincial Association for another year of successful volunteerism in our province.

This year, May 15 to 21, 2022, is designated as Royal Purple week. Dedicated to serving families and communities for over eight years, your organization works hard to raise awareness and address the specific needs of the communities you represent. Your continuous efforts have resulted in the growth of new members, the creation of additional lodges, and the formation of new partnerships.

We have a strong history of volunteerism in Saskatchewan, and our province is proud to have your organization established and thriving. While the last two years presented many challenges for our charitable community, it is inspiring to know that this year alone you have contributed over \$30,000 to your major charity partner – Saskatchewan Brain Injury Association.

I want to thank all Saskatchewan Royal Purple lodges and members for your time and effort. Each of you is to be commended for your passion and for taking an active role to help those in need. I applaud the Saskatchewan Royal Purple Provincial Association for your service to the betterment of Saskatchewan.
