To Lodge Chaplains

The position to which you have been elected to in your Lodge is important as you take charge of all the devotional exercises of your Lodge. You may in your year have to write words of comfort and offer condolences to a family who has lost a Member.

I have been appointed National Chaplain and, like you, will write letters of condolences to Lodges who have lost a Member. In order to do this, I need your assistance.

Please complete and send to me for each death the form "Notice of Death of a Lodge Member": this includes name and date of death of the member, address of family or next of kin and any personal remarks you may wish to make. Our departed Members over the year are recognized and thanks to your forms, their names can be read out at the National Convention.

We honour our departed Members and want to preserve their memories.

**Just as beautiful as all nature that surrounds us,
So too is the comfort and warmth of sharing in our loss.**

Sincerely,

Lorraine Pezzutto
