

2019 and Moving On!

2018 is now a memory and Canadian Royal Purple has grown in knowledge. Some Lodges have even grown in membership and sadly, we have said farewell to some members. The National Board has been actively working to support and increase members and lodges over the past year.

I am proud to be a part of this National organization reaching from BC to Ontario. At December 31st we were over 1100 members strong; belonging to 70 lodges and 5 Provincial Associations. Members remain members out of loyalty, comfort and a sense of belonging. If your heart matches ours, please join us!

Royal Purple Week is May 12-18, 2019 - a great opportunity to shed light on your local Lodge! Celebrate your contributions to the community by tooting your own horn or get businesses and local Government to toot it for you. Get creative and share your activities with us to promote membership and bask in the glory of your past years of work.

Preparations for the 5th Convention / AGM of Canadian Royal Purple to be held July 12-14, 2019 at Prince George, BC. are well underway. Work continues to increase membership and Lodges in areas where folks show initiative. Our Website and Facebook pages are continually updated and available for good news stories.

Stop by and check in often for forms, news, store contents and documents that are available for printing. Interested in joining? Contact any Director and they will direct you to the Lodge/club near you.

As I look forward into 2019, it is with optimism, appreciation, and pride. Your patience; your willingness to get involved; as well as your continued support are called upon and appreciated. Your Board of Directors are committed to progressing as Canadian Royal Purple. Keeping it real with an "Attitude of Gratitude"; we move through our 5th year of operations.

Kelly Christman

President
