Well since my last letter, I attended meetings in Beechy SK with Provincial Associations and other representatives. Lots of brainstorming and excellent interactions. Thanks to all that were able to attend. It was very beneficial to myself to be able to communicate face to face and discuss our operation processes and how we can advance to other solutions. Thanks to all for your input and acceptance.

Just arrived home, some quick catching up and then off to Williams Lake for BC RP Executive/Committee meetings. Good brainstorming and interactions and plans being made for the 25<sup>th</sup> Anniversary of BC Royal Purple. It will be hosted by Williams Lake on May 25/26.

Then rushing to get September office month end done and onto Strathmore AB for Team meetings with the Directors, National Committees and Provincials. Again, awesome productive meetings with lots of interactions and brainstorming. Lots of great positive decisions made for NEW members as well as appreciation for our current members as you can see by the attachments.

Coming up ... Remembrance Day November 11..... a day for appreciating those who were and are involved with our country's freedom. Participate, if you can.

And then Christmas! Sending Best Wishes to you and yours for a safe and healthy Christmas and Holiday season from all of us here. Take care and enjoy!
