## NEWSLETTER – April - 2017

### PRESIDENT TERRI'S MESSAGE

Happy Spring 2017 to all members of Canadian Royal Purple,

I hope this newsletter finds all of you looking forward to warmer days and the fresh colors of spring like I do!

Lots of things have been happening on the National Board, and lots of things are happening in the Provinces as Annual General Meetings are fast approaching. Nationally, we held a team meeting March 9 to 13th hosted by the Edmonton Royal Purple. Attendees included the entire National Board of Directors, the Volunteer National Administrator, National committee members, and Provincial Association representatives.

We had great discussions about membership awareness, what works for promotion of Canadian Royal Purple across the country, samples of items for the National Store were reviewed, review of the National website and Facebook along with great tips on “boosting” events and how that works, a review of the process of proper motions, amending motions, discussions, and votes....and the list goes on. All in attendance agree that this meeting was invaluable to the leadership of the organization as it allowed us to communicate openly and positively both Nationally and Provincially.

Our Manitoba and Ontario Associations need our help! We need to help get new lodges up and running, rejuvenate those that exist and encourage participation in the Provincial Associations. And hopefully, that help is coming via a promotion idea for all provinces, and our proposed budget. Ideas are brewing and being discussed at the National level – watch for news!

You will see more of the excitement building up for the National AGM in Sault Ste Marie (aka the “SOO”)

where we get the great opportunity to gather together and build the future of Canadian Royal Purple – see VP Lorraine’s notes in this newsletter! We need a bid submitted for the 2018 AGM and Convention so please consider the opportunity that can give your community.

So far I have accepted invitations to attend Saskatchewan Provincial AGM – April 22, Manitoba Provincial April 29 (and I hope to visit some lodges and members in Manitoba time permitting as well), Medicine Hat Lodge 60th Anniversary May 6th, Prince George Royal Purple (parade) May 27, BC Provincial AGM May 28/29/30, and Alberta Provincial AGM June 2, 3. I intend to do some lodge visits in British Columbia prior to and around the BC Provincial AGM – So Keremeos, Port Coquitlam, Osoyoos, Prince Rupert, Smithers...I will be contacting you so I can come out and help you with a community fundraiser and promotion of Canadian Royal Purple! I have other lodge visits I'd like to do, so don't be surprised if you hear from me soon. Wishing everyone good deliberations at their Provincial AGMS, and I hope to see you in the “Soo”!

Respectfully, Terri Paziuk, National President

## TEAM MEETING – EDMONTON, MARCH 10, 11, 12

Notes by Lorraine Pezzutto, National Vice President

Edmonton Lodge #22 made its debut as an exceptional host at this Team Meeting. The National Directors, Provincial Presidents and Vice Presidents and National Committees came together at Edmonton. This Lodge created fabulous meals, fattening coffee breaks and gave a great social time for everyone. Thanks, so much Edmonton members.

The Team meeting agenda covered many topics for the whole group and also made sure there was time for just the committees to meet and deal with matters pertaining to their roles in the organization. The National Directors had time to meet with an agenda of their own.

There was a website demonstration to help those attending be aware of what is on the National website and how to navigate through it. ([canadianroyalpurplesociety.org](http://canadianroyalpurplesociety.org)). There was some discussion on how we need to increase our efforts to market CRPS to the public. The new Lodge Resource Manual and Policy for the Purple Book of Memories are available and the Proclamation for Royal Purple Week on May 14 to the 20, 2018 were presented.

The Financial year to date statements was studied and a draft budget was set up.

The National Directors included in their agenda a short vision workshop to set up future goals of CRPS. They brainstormed on what was important to them for the future of CRPS. After several minutes of individual thinking and several more minutes of group thinking thoughts could be categorized into three parts –

An organization that has leaders that are progressive, solid, supportive, strong, enthusiastic, project a positive attitude, etc. An organization with members that are active, healthy, growing, increasing in numbers, participating, promoting, etc. And an organization that is fiscally sound

Results: WHENEVER OUR LEADERSHIP IS STRONG, STABLE AND SUPPORTIVE OUR MEMBERS ARE FUN LOVING, DYNAMIC AND DEDICATED.

How do we reach this target group of future leaders to share information and train and support?

For the convention and Annual General Meeting in Sault Ste. Marie a guest speaker will discuss leadership and the role of the leader and steps needed to create sustainable leaders that are supportive, encouraging, and enthusiastic.

“Keeping change alive starts with rewarding innovation, risk-taking, and creativity.”

### **PRESIDENT'S MESSAGE**

As I begin writing this, Lodges in most of BC are under a deep freeze!

I was having difficulty deciding on what to write, until I looked at our recent provincial newsletter, Hands Across BC, and thought, "how can I get all that into one message!" There are SO many things that Royal Purple lodges do and SO much support given in our communities.

Bazaars, teas, bingo, catering, bursaries, donations in support of women, sports teams, pancake breakfasts, pie making, concessions at bingos and a rodeo, donations to CrimeStoppers, scrapbooking weekends, support for Guiding groups and Scout groups, support for "Stock the Locker", support locally for hearing impaired children and provincially for the Family Hearing Resource Centre ( a total of about \$10,000 from the lodges in the province!) I am sure this is not all we do but gives us an idea of how much is actually accomplished by the BCRPA lodges. It is huge!

The Fort Berens Winery in Lillooet makes two wines (one red, one white) with the Canadian Royal Purple name on the bottle and a brief comment on who we are. They can be purchased on-line. Go to Fort Berens.

BC is the first provincial lodge to have a male president. Doug Bailey of Clearwater #302 was elected. Good to have you, Doug.

I have visited Williams Lake, Lillooet, and Ashcroft lodges. After starting out to visit Keremeos, I was caught in a blizzard at the summit near Logan Lake. I will plan to go again in the spring.

It is time to begin the second half of the year. Our BC committees meet in March also, so lots to do.

An update on the Team meeting in Edmonton: as usual a lot was covered. It was very informative to hear what the other provinces are doing. It really is quite amazing what help is provided by our organization across the country. We received the new Resource Manual, discussed ways to make the best use of social media like Facebook, how to properly speak to a motion to mention just a part of the agenda.

Sending out good wishes to all Royal Purple members for 2017. May you have successful events and lots of enjoyment as you continue to support your community.

BC Provincial President

Merrilyn Pennanen

## **ALBERTA ROYAL PURPLE LODGES ASSOCIATION**

### **PRESIDENT'S MESSAGE**

On behalf of the ARPLA, it is my pleasure to send you all sincere greetings.

My term as President of this association has been very rewarding. I would sincerely like to say thank you to all our executive and committee members for their dedication to the association and the Royal Purple.

My theme this year is "Together We Can". As Helen Keller once said, "Alone we can do so little, together we can do so much." At lodge level and the association, you can participate in the discussions, brainstorming, fundraising, and events. Please know your contribution is of great value, as you all have different talents and ideas to offer.

Since my installation as President in Sundre last June, I have attended numerous functions throughout the province.

September 9-11, 2016, I attended the National Committee Meeting in Beechy Saskatchewan.

We had our Fall Mid-term Executive and Committee meeting in Ft. Saskatchewan October 28-29.

In September, October, and November, lodges were visited by myself and the three Vice Presidents. Thank you to the VP's for traveling to these lodges. I know weather conditions were always a consideration, and I thank you for your commitment.

I have my last visit on April 12, and then meetings of all lodges in the province have been attended.

To the lodges I visited personally, thank you for your most cordial and gracious hospitality. I enjoyed meeting all of you very much. A special thank you for the gifts that were presented and the generous donations for the Stollery Hospital, Kamp Kindle, and my charity of choice this year, Kids Help Phone.

I represented the Association at the 90th Anniversary of the Edmonton Royal Purple Lodge #22 on February 11, 2017, and presented them with a certificate on behalf of the Provincial Association. I also sent a certificate to Lac La Biche Lodge in recognition of their 50th Anniversary.

On March 9-13, 2017, I attended the Royal Purple midterm meeting held in Edmonton.

I also have several functions to attend in the months to come. I have been invited to attend the District Meeting to be held in Vegreville on Saturday, April 22, 2017.

The ARPLA mid-term meeting is being held in Wainwright on April 6-7, 2017.

Our District #9 is going to have a "Get Together" in Ft. Saskatchewan on April 30, 2017.

The ARPA Conference is being held in Fort Saskatchewan on June 2, 3, 4, 2017. This year's conference is being hosted by my Edmonton Lodge #22 and Fort Saskatchewan Lodge #212.

I encourage all members to attend these important meetings; District Meeting, Provincial Conference, and the National CRPS AGM. This is a very good time to renew our friendships and meet new friends. A time for all your opinions and suggestions to be heard.

Congratulations to the Lodges that have increased their membership this year. You are all to be commended on successes you have made in growing your Lodges and our great Order.

Again, thank you to the Provincial Executive Committee members and to all of you who have given your time and devotion to this great organization.

We were faced with many changes; however, we are going to survive and continue to be the best volunteer organization in our country, providing support to the less fortunate in our communities.

## **Greetings from the Saskatchewan Royal Purple Association**

This message marks my last message as President and I thank everybody for making this such a special year. It was great to meet all the Provincial Presidents from across Canada throughout the year and I wish you all the best in your AGM's.

Highlights of my year began in Saskatoon at my AGM and then on to a great convention. Thank you to my Association for pitching in and making 2016's convention one to remember.

We went from convention to the fall meeting in Beechy where we all got introduced to facebook and the website and we've kept in touch ever since.

Our province's March BrainLove campaign is the best ever. Thank you to all the lodges for your participation.

We are looking forward to our AGM in St Walburg and then off to the convention in the Sault. Hope every member from our province attends.

Thanks again to my Board, committee members and to all the members in Saskatchewan for the opportunity to be your president. Happy Easter and God bless you all.

Pennie Young                      Alberta Association                      President

## **Website Committee**

Each week bring a new adventure to our website. Ann and I have enjoyed your pictures, updates, and information. Our aim was to make the website modern, meaningful and a service to the membership. So far we are offering information, entertainment and all the business documents everyone requires,

Now we are working on the facebook, This has been a busy Facebooking year and it makes it so special to see what everyone is doing. Thanks for your support everybody.

Coming up new will be a donation page on the website where we will list all the donations we make across Canada. It should be an eye-opener for members and the public alike.

Thanks for your support everybody. Enjoy!!! Sandi Lougheed and Ann Walsh

## Manitoba Royal Purple Association

To all members of the Canadian Royal Purple society, we are now coming to the end of another successful year. I sincerely hope that everyone can attend Annual Provincial Conference, April 29th in Winnipegosis. It is a support that your Provincial leaders need to continue making the Province of Manitoba a great organization of community and charitable lodges. This year members will vote of the viability of forming a partnership with Brain Love. What a great opportunity to publicize Royal Purple and assist a most worthy cause. I congratulate Saskatchewan Royal Purple on their success with this partnership.

July will be a conference in the Sioux and “Ontario is your to discover “ so I look forward to seeing many of you that I have met at the AGM.

We are making Strides in increasing membership and would look forward to increasing lodges and hopefully revive some that have left us.

As my term comes to an end I would like to thank the Officers, Directors, and members who have worked so very hard in their communities to promote the good works of Royal Purple.

Our slogan in Manitoba is “Purple with a Purpose”. So many different groups have benefited, schools, sports teams, seniors, safe grad, safe streets programs and much more. What would our communities do without us? Keep up the great spirit of Royal Purple and will see you At our AGM

*Working together - Having fun*

Happy New Year to all members of the Canadian Royal Purple!

Notice our new letterhead designed by our Director Cindy O'Neil from Sudbury, Ontario! Thank you, Cindy!

Congratulations Canada on your 150th birthday! In Sault Ste. Marie, PSHRL Anne Marie Helferty is the Elks and Royal Purple Singers Music Director. In celebration of Canada's birthday at each event, they are invited to sing, the first song is "This Land is Your Land!" Thank you, Anne Marie!

Plans are underway for our upcoming Joint District meeting and ORPA AGM. Sault Ste. Marie Royal Purple Lodge #155 is the host lodge this year. It will be held at the Elks Hall 216 Bay Street Sunday, April 30th, 2017.

We are looking for a Royal Purple member from Ontario to sit on the Canadian Royal Purple National Board of Directors. If you are interested, please contact me!

Thanks to the creative idea from Director Cindy O'Neil our Association has raised \$152.00. At each Membership table, we sell \$2.00 Mystery Bags. They have been a great hit. We have items for children as well. We collect small objects donated from our members to sell. We will have more Mystery Bags to sell at our ORPA AGM.

Again, this year Sudbury Lodge #148 helped sell tickets for the Canadian Hard of Hearing Association House Draw.

On March 3rd, 2017 from 9:30 to noon, the "Shadows of the Mind" film festival will present the film "Moment to Moment" on FASD. A panel discussion on FASD (fetal alcohol spectrum disorder) will follow. All welcome, free to the public, donations accepted. Held at the Grand Theatre on Queen Street in Sault Ste. Marie.

Thank you to Royal Purple North Bay Lodge #170 for your continued support. Without you, we would not exist!

A reminder our National AGM and Convention is being held in Sault Ste. Marie Ontario hosted by Sault Ste. Marie Royal Purple Lodge #155. July 16th, 17th, and 18th. Rooms are available at The Quality Inn 180 Bay Street. Call 1-705-945-9264 to book your room \$99.99 per night which includes a free hot breakfast!

Sadly, we lost our long, time member Inez Lehto who passed away December 14, 2016. Inez celebrated her 100th birthday last May. She was a member of Sault Ste. Marie Royal Purple Lodge #155 and received her pin for 60 years' service at the Soo's Royal Purple Anniversary this past November.

Our Association is looking for Royal Purple Members in Ontario to sit on our Board of Directors. We are hoping that with the new technology available such as skype, and conference calls we could connect for our meetings. The geography of our Province makes travel, expensive, and distant. If you are interested in this endeavor, please contact me at 1-705-946-2182.

Looking forward to a successful Joint District and Ontario RoyalPurple AGM
